# 1. Creative & Media Path

Tier: GREEN

Compatibility Score: 178%

## Why Recommended

- Portfolio matters more than marks
- Income stabilizes later in career

## Why This May NOT Be Ideal

This career involves trade-offs such as competition, delayed rewards, financial load, or lifestyle impact.

## 2. Government & Public Service Path

Tier: GREEN

Compatibility Score: 169%

### Why Recommended

- Highly competitive with uncertain timelines
- Backups are essential

### Why This May NOT Be Ideal

This career involves trade-offs such as competition, delayed rewards, financial load, or lifestyle impact.

## 12-Month Student Action Plan

1. Strengthen weak aptitude areas via focused practice
2. Explore internships / shadowing opportunities
3. Build backup academic pathways
4. Avoid single-exam dependency
5. Discuss finances early with parents
